Identity Theft — Week 4 — Four Life Changing Questions

Judges chapter 3 shows us what can happen when we allow things other than God to be our motivation. As Christ-followers we must continually examine our hearts to see that our motives are pure. What are you pursuing in life that trumps your pursuit of God?

- How are you daily pursuing a relationship with God?
- In what ways has God equipped you to make a difference in the lives of people around you?
- What would you consider your comfort zone?
- How is God calling you to stretch out of your comfort zone?
- What are the things in life that break your heart or bother you?
- What opportunities have you been ignoring that God has placed directly in front of you?

All too often we get caught up in just doing right things. Are we just doing right things or are we passionately following God's call on our life. Anything short of total devotion is "lukewarm". It comes down to what your motivation is. Is Jesus your ultimate motivation or is something else driving your life?
