Identity Theft — Week 3 — Hearing God's Voice. Embracing His Plan.

We all see people everyday who have unmet needs. We see a child with holes in the bottom of her shoes at your kid's school. Maybe we have an elderly neighbor who is unable to afford basic necessities like food. What will we choose to do when we see these things? Will we take action and try to help, or will we make excuses in our minds in order to not have to think about the reality of the situation?

- What are some of the needs that you see everyday? Why do we often ignore the need we see all around us?
- What would the Church look like if we were willing to get out of our comfort zone and be the hands and feet of Jesus?
- Why are we so unwilling to risk anything for Jesus? What would you be willing to risk in order to help someone?
- What do you consider "dangerous" christian behavior? What is keeping you from attempting something dangerous for Christ?

We were each placed exactly where we are in life by God. He has plucked us out of eternity, positioned us in time, and purposed us for His Glory! He has called and equipped each of us to carry His light into the darkness. The question for each of us is will we ignore the situation that God has put us in? The same God who created the universe, lives in us. We can be dangerous to the darkness with Christ in us!
